2021 - 2025

Chitkara University, Rajpura, Punjab

CGPA: 9.33

### Class XII CBSE

2019 - 2020

Golden Public School, Uklana Mandi, Haryana

Score: 75.8%

### Class X CBSE

2017 - 2018

S.M.L.A Middle School, Tohana, Haryana

Score: 76%

## PROJECTS

### E-social

Oct 2024 - Nov 2024

e-social.vercel.app

- Built a responsive social media app using the MERN stack and Tailwind CSS with core features like posts, comments, likes, and friend requests.
- Implemented JWT authentication and RESTful APIs to enable secure login and efficient user interaction handling.

### Ecoride carpool

Feb 2024 – Jun 2024

theecoride.in

- Developed a responsive web application using React.js and Tailwind CSS with secure authentication, authorization, and error handling. Ensured smooth performance and a user-friendly interface across all devices.
- Designed and managed MongoDB databases for user data, including deployment and maintenance.
- Developed secure and scalable RESTful API's using Express.js, implementing user authentication, ride management, profile management, real-time chat, and notifications. Integrated JWT, WebSockets, Nodemailer and Google reCAPTCHA to enhance security, communication, and user experience.
- Integrated third-party APIs such as Leaflet, Geoapify for route planning and geolocation services.
